# Practical features

## New design

**New**

Keylite blinds come with slim aluminium side rails for smooth operation and a clean classic look. This also gives increased natural light when the blinds are open

## Energy efficient

Controls solar heat gain. Thermal benefits reduce heat loss by at least 20%. (BBA Tested)

**Available in** thermally efficient blackout, dimout and moisture resistant

## Moisture resistant options

## Fabric choice

wide range of colours available

\*Electric 1 year

## Upgrade to electrical

Our solar powered and electric blinds are ideal for those out of reach locations from the comfort of your armchair or bed

## Fully enclosed cassette

to protect fabric from discolouration and eliminate light glow around the edge

## Cord free

For 100% child safety and peace of mind in the home

## Fingertip control

easy and smooth operation

## Surround options

Available in brushed Aluminium or White finish

## Fully encased side rails

with brush seals to provide 100% blackout and improve thermal efficiency

# Fabric choice

## Choose **Blackout**

**No 1 choice for bedrooms and cinema rooms**

We offer an extensive range of blackout blinds, all of which include thermal fabric as standard, for extra cosiness and warmth.

Leave them open and you can let the light in, but once they are closed you will enjoy completed darkness...and of course extra warmth thanks to the unique thermal fabrics.

## Choose **Dimout**

**No 1 choice for living rooms and landings**

For those who want to transform their home into a place of restful relaxation, then the dimout blind is the perfect choice.

Fully drawn, this blind simply diffuses light to provide a warm and cosy feel, far away from the glare of the world outside, whilst still allowing light to softly permeate through the fabric.

## Choose **Wipe Clean, Moisture Resistant Blinds**

**No 1 choice for bathrooms and kitchens**

Your blinds need to be practical as well as beautiful. Our wipe clean, moisture resistant blinds range offers the perfect solution for any space.

We now offer wipe clean blinds which are completely moisture resistant, with an easy wipe clean texture. No more stains, no more odours, just blinds that can stand the test of time in your home.

# Surround choice 06<07

▲ **White Finish Surround**  
The perfect complement to your White Finish windows.

## Choose **Finish**

We offer a choice of surround finish to enhance your roof window blinds.

▼ **Aluminium Surround**  
Ideal with Pine Windows for a contemporary finish.

# Complete control

Keylite blinds have been designed to perform to your requirements.

## Manual Operation

Our one touch control allows for effortless positioning of the blind by hand.

## Mains Power

Our complete range of blinds are available with remote control electric operation (on a PEK electrically operated window). Our electric blinds are ideal for those out of reach positions.

## Manual Pole Operation

A Keylite telescopic window opening pole (2metre and 3metre) will allow you to manually control your Keylite roof window and blinds.

## Solar Control

Our complete range of blinds are available with solar control for manually operated windows. Solar powered remote control blinds are available for all those out of reach areas. It's easy to install with no wiring required.

# Operation

 **BLACKOUT** is  
the No1 choice  
 **for bedrooms**

## Bedroom retreat

**Make your bedroom your private little retreat by personalising it with stunning blinds...**

Your bedroom is a place of relaxation and calm where you can relax after a long stressful day. Allow your roof windows to help brighten your bedroom by drawing in bright natural light. A bedroom should be warm cosy and peaceful ...and this is something that colourful Keylite blinds can help to achieve.

### **Choose Blackout for a great night's sleep**

Our thermally efficient blackout blinds are available in an extensive range of colours for extra cosiness and warmth. If you simply want to use your bedroom as a haven for optimum sleep, then blackout will be perfect for you. Leave them open and you can let the light in, but once they are drawn you will enjoy completed darkness...

### **Choose Dimout - for those who want to relax, read and use their bedroom as a quiet retreat**

For those who want more from their bedroom, and want to use it as a place of restful relaxation, then the dimout blind is the perfect blind solution. Fully drawn, this blind simply diffuses light to provide a warm and cosy feel, whilst still allowing light to softly permeate through the fabric.

A woman with long blonde hair is lying on her stomach on a bed, reading a book. She is wearing a white long-sleeved top. The room features a large skylight with two wooden-framed windows. The blinds are partially drawn, allowing natural light to enter. The overall atmosphere is calm and cozy.

# Privacy

Our blinds are designed to be **Child Safe** with no dangerous cords or chains which could cause injury. Our one touch control allows for effortless positioning of the blind. Choose accessories such as our **Restrictor** and **Security Lock** to provide extra child safety for extra peace of mind.

For full colour range see [www.keyliteblinds.com](http://www.keyliteblinds.com)

**Security Lock\***

A Keylite security lock can be easily fitted for added security. Security locks stop the window opening, without restricting ventilation.

**Restrictor\***

For added safety, a Keylite opening restrictor is available to regulate the extent to which your roof windows can open, while still providing complete safety.

*\*not recommended for top hung or fire escape windows*

**Keep those early sunrises hidden from your little early risers**

**Choose Blackout – for a great night’s sleep.**

We all know the value of great night time sleeping habits for children...not just is a long night’s sleep essential for each individual child, it is also conducive to a much happier family unit. We offer a great variety of colourful, fun, blackout blinds which are perfect for brightening up a child’s bedroom - many of them include the additional thermal option for extra cosiness at no extra cost...perfect for ensuring that your little ones get a great nights’ sleep.

# Kids’ bedroom

A kids’ bedroom should be a place that makes them feel happy and a place where they can let loose with their imagination; for kids, life is all about learning through play, so why not turn their bedroom into their own unique little kingdom?

Make the most of roof windows in this room by simply adding fun blinds specifically designed for children. We all know that every child loves the sanctuary of their own bedroom, so help them to have even more fun simply by using bright, vibrant colours, and fun interior design elements.

# Child Safe

## Living space

The living room is right at the very heart of every home - the place where we entertain friends and catch up on life. Because of this, the living room is a room that should be atmospheric, homely and cosy....a room that is as welcoming as it is warming.

Adding beautiful Keylite blinds to your living room's roof windows is one way in which you can create this perfect warm, welcoming environment.

### Choose Dimout

If you are one of those people who likes to relax, whilst still wishing to avail of soft subtle natural light, the dimout range is the perfect choice for you.

### Choose Blackout

If you like to come home, draw your blinds on the outside world and spend the evening doing nothing but relaxing, then our blackout range represents the perfect fabric choice for you.

 **DIMOUT**  
is the No1 choice  
 **for living rooms**

# Colour

# Kitchen

The place that plays host to life's everyday activities and adventures...to reflect the fact that the kitchen is a much used, much lived in room of any home, it is imperative that it is vibrant, bright, and fresh; no matter how big or small it may be in terms of its physical space, it should be bursting with homeliness and warmth!

Marble Black  
Blackout: 0070

## Choose Wipe Clean Moisture Resistant Blinds

Our wipe clean, moisture resistant blinds range offers the perfect solution for any kitchen space. All that cooking can quickly take its toll on blinds and it is for this reason that we now offer wipe clean blinds which are completely moisture resistant, with an easy wipe clean texture. No more stains, no more odours, just blinds that can stand the test of time in your kitchen.

Blackout, fire retardant  
and wipe clean fabrics.

# Shade

# Bathroom

## Choose Wipe Clean Moisture Resistant Blinds

Our wipe-clean, moisture resistant blinds range offers the perfect solution for any bathroom space. In a room where steam is always prominent, our wipe clean range will ensure that you can simply wipe your moisture resistant blinds after a shower or a bath so your blinds always look pristine.

## Cleaner Design

Because the blind is equipped with our one touch control bar there are no cords to get wet or discoloured.

Secure Side Rails and using screws provided, fix into place with a hand screwdriver.

Keylite solar powered blinds are perfect for those out of reach manually operated windows. The blind is operated by a standard battery pack which is recharged by solar power and the kit includes a remote control unit.

Call us to place your order or alternatively **order online**

Please follow these simple steps to select your blind.

**STEP 1**

Locate serial code / window size.

- Locate the **serial code/window size** on the silver identification card, under the ventilation handle. (eg. 0410 12345).

**STEP 2**

Choose type of blind required.

- Blackout Blinds**  
Block all exterior light sources, perfect for a bedroom or home cinema.

- Dimout Blinds**  
Provide privacy and control of sunlight.

**STEP 3**

Choose type of surround required.

- White Finish Surround**  
The perfect complement to your White Finish windows.

- Aluminium Surround**  
Ideal with Pine Windows for a contemporary finish.

**STEP 4**
